This is a collection on Additional Insured endorsements that are known to cover only “Ongoing Operations” and not “Completed Operations”. This means in many cases that as soon as the job has reached “substantial completion” etc. the coverage provided by this endorsement will cease. Since most claims occur AFTER you demobilize, you may have an issue with adequate coverage. If you have any questions, feel free to contact us at 800.685.0027 or email ed@constructionprosins.com.
